Teacher/Leader Effectiveness System Implementation:

All Cohort II SIG schools are required to implement a new effective teacher and leader evaluation system that meets all US Department of Education and NH Department of Education requirements. Please provide evidence of approval/ acceptance of the revised models by the local school board and union (if required within the given district) to allow for implementation of systems for the 2012-13 school year.

Teacher/Leader Effectiveness System Implementation

The team participated in state sponsored workshops presented by The Danielson Group on Designing a System of Teacher Evaluation. There was a two-day introductory workshop with four follow-up meetings to allow the team time to work through the design of the evaluation document for the Franklin School District. Along with the Design workshops, there was a series of workshops geared toward using a Growth Model as an integral part of the evaluation procedure. These workshops were presented by Scott Marion and took place over four meetings. All workshops took place between October 2011 and March 2012.

Each faculty member was provided with a copy the Danielson book, <u>Enhancing Professional Practice: A Framework for Teaching</u>. The team was then able to use their training to lead a series of faculty meetings at the middle and high schools. These meetings were dedicated to understanding the <u>Framework</u> and how it guides professional practice. Approval of School Board not required.

<u>Transformational Leadership:</u> In implementing the transformation model, the district/LEA may be required to replace the leader, in doing so, the new leader must be selected based on having skills necessary to be a transformational leader. If you have or are planning to replace the leader in any of the district's SIG schools since the original application submission, please provide evidence that the selection of the new leader process has or will included an assessment of the ability of the candidate to be a transformational leader. Such evidence should include:

Job posting & description that notes the requirement of transformation skills and experience

Interview questions that assess the experience and ability to be a transformational leader

Resume of selected leader that reflects experience and ability to lead reform efforts

N/A

Title I 1003(g) School Improvement Grant Action Plan

Franklin High School

Goal	Alignment of curriculum, instruction, and assessment to established competencies:
	 Understand, demonstrate, and communicate curriculum competencies for mathematics and reading for grades 5 – 12.
	 Map vertically and horizontally both mathematics and reading curriculum for grade 5 – 12
	Identify and provide necessary resources to implement the aligned curriculum
	Provide flexible scheduling and collaboration time
	Build team structures at the district, school, and grade levels to ensure cohesive curriculum and to improve student learning
	Provide effective teaching strategies through embedded, high quality professional development and instructional coaches
	Identify and document interventions that support student growth through informative assessments
	Develop an effective and objective performance based evaluation tool
	2. Leadership and Governance:
	Build instructional leadership capacity at the administration and teaching level
	Define and develop all constituent roles to build and sustain the capacity for transformational leadership
	Provide effective, high quality, embedded professional development through instructional coaches
	Retreat for evaluation of SIG implementation and effectiveness
	3. Climate and Culture
	Set expectations early
	Provide a safe, welcoming, student centered environment
	Provide an inviting physical plant appearance
	Student will display a sense of belonging and a feeling that someone cares if they are doing well in the academic, social and civic realms
	Develop a system for student leadership and peer mentoring
	Expand principal advisory, site councils that address communication

		4. Communication:										
		• Develop a	a strategic plan that	identifies roles	and responsibilities and a	olan for implementation						
		Develop a	Develop and implement student led conferences									
		• Schedule	Schedule regular parent forums to keep parent informed on academics, discipline, budget, physical plants, and strategic plan									
		 Continue 	Continue to develop a technology infrastructure to support software, hardware, integration of technology for instruction, data, and warehousing									
Strategy		restructuring through Turnaro Restart	nplement leadership strategies for which data indicate the strategy is likely to result in improved teaching and learning in schools identified for improvement, corrective action, or estructuring through the following: Turnaround model Restart model									
			losure model

ONE YEAR DETAILED SCHOOL BUDGET NARRATIVE 2012-2013

(Please complete one per school)

For Cohort I: Your year 3 funding amounts were conformed in your original application.

For Cohort II: Each school, per the US ED guidance, is able to apply for funding within the range of \$50,000 and \$2,000,000 per year. Please consider in your application that for the 2012-13 school year the NH DOE has approximately \$1,696,410 total to award to Cohort II (comprised of 8 schools)

Use this form to provide sufficient detail regarding proposed expenditure for the 2012-2013 project period. Complete all appropriate justification forms (enclosed in original application). Once this application is approved any revisions can be provided through the Online Grant Management System only . The online submission will override the paper-based submission.

School Name: _Franklin High School

Title I 1003(g) School Improvement Grant 2012 - 2013 LEA ASSURANCES

By signing below, the Local Educational Agency (LEA), Franklin School District, is agreeing to the following Title I, Part A 1003(g) School Improvement Grant (SIG) assurances with the New Hampshire Department of Education (NH DOE) and the United States Department of Education (US ED):

- Use its School Improvement Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final requirements (US ED requirement);
- The program and services provided with Title I, Part A 1003(g) School Improvement Grant will be operated so as not to discriminate on the basis of age, gender, race, national origin, ancestry, religion, pregnancy, marital or parental status, sexual orientation, handicapping conditions, or physical, mental, emotional, or learning disabilities (NHDOE requirement);
- Administration of the program, activities, and services covered within the attached application(s) will be in accordance with all applicable federal, state, regulations (NHDOE requirement);
- Design and implementation of the interventions will be consistent with the Title I, Part A 1003(g) School Improvement Grant final requirements (NHDOE requirement);
- The funds received under this grant will be used to address the goals set forth in the attached application (NHDOE requirement);
- Fiscally related information will be provided with the timeliness established for the program(s) (NHDOE requirement);
- The specific school-level data required in section III of the final requirements will be reported for all schools within the LEA that are participating in the Title I, Part A 1003(g) School Improvement Grant through quarterly meetings, evaluations, progress reports, or on-site visitations, including the following data (US ED requirement):
 - Number of minutes within the school year that all students were required to be at school and any additional learning time (e.g. before or after school, weekend school, summer school) for which all students had the opportunity to participate.
 - Does the school provide any of the following in order to offer increased learning time:
 - o longer school day
 - before or after school
 - o summer school
 - o weekend school
 - Other
 - The number of school days during the school year (plus summer, if applicable, if part of implementing the restart, transformation or turnaround model) students attended school divided by the maximum number of days students could have attended school during the regular school year;
 - The number of students who completed advanced coursework (such as Advanced Placement International Baccalaureate classes, or advanced mathematics);
 - The number of high school students who complete at least one class in a postsecondary institution;
 - The number of students who complete advance coursework AND complete at least one class in a
 postsecondary institution;
 - The number of FTE days teachers worked divided by the maximum number of FTE-teacher working days;

Title I 1003(g) School Improvement Grant 2012 - 2013 LEA ASSURANCES CONTINUED

- Student participation rate on State assessments in reading/language arts and in mathematics, by student subgroup;
- Dropout rate;
- Student attendance rate;
- Discipline incidents;
- Truants:
- Distribution of teachers by performance level on an LEA's teacher evaluation system (when available); and
- Teacher attendance rate.
- All schools within the LEA that are participating in the Title I, Part A 1003(g) School Improvement Grant will submit to the NH DOE a written Annual Progress Report/Evaluation Report which documents activities and address both the implementation of the Title I 1003(g) School Improvement Grant plan and student achievement results (NHDOE requirement);
- Title I, Part A 1003(g) School Improvement Grant will be used to supplement, not supplant Federal, state, and local funds that a school would otherwise receive (NHDOE requirement);
- The LEA will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final requirements in order to monitor each Tier I and Tier II school that our LEA serves with school improvement funds, and establish goals (approved by the SEA) to hold accountable its Tier III schools that receive school improvement funds (US ED requirement);
- If the LEA implements a restart model in a Tier I or Tier II school, the LEA will include in its contract or agreement terms and provisions to hold the charter operator, charter management organization, or education management organization accountable for complying with the final requirements (US ED requirement);
- Assign a Title I, Part A 1003(g) School Improvement Grant Coordinator that will participate in regular NH DOE Title I, Part A 1003(g) School Improvement Grant meetings and have a LEA Improvement Planning/Implementation Committee that meets regularly (NHDOE requirement);
- Recruitment, screening, and selection of external providers, if applicable, will be conducted in a manner that ensures a high level of quality of service (NHDOE requirement);
- Additional resources will be aligned with the interventions (NHDOE requirement);
- LEA's practices or policies will be modified, if necessary, to enable the LEA to implement the interventions fully and effectively (NHDOE requirement); and
- The reforms will be sustained after the funding period ends (NHDOE requirement).

Title I 1003(g) School Improvement Grant Action Plan

Franklin Middle School

Goal

Alignment of curriculum, instruction, and assessment to established competencies:

- Understand, demonstrate, and communicate curriculum competencies for mathematics and reading for grades 5-12.
- Map vertically and horizontally both mathematics and reading curriculum for grade 5-12
- Identify and provide necessary resources to implement the aligned curriculum
- Provide flexible scheduling and collaboration time
- Build team structures at the district, school, and grade levels to ensure cohesive curriculum and to improve student learning
- · Provide effective teaching strategies through embedded, high quality professional development and instructional coaches
- Identify and document interventions that support student growth through informative assessments
- Develop an effective and objective performance based evaluation tool

2. Leadership and Governance:

- Build instructional leadership capacity at the administration and teaching level
- Define and develop all constituent roles to build and sustain the capacity for transformational leadership
- Provide effective, high quality, embedded professional development through instructional coaches
- Retreat for evaluation of SIG implementation and effectiveness

3. Climate and Culture

- Set expectations early
- Provide a safe, welcoming, student centered environment
- Provide an inviting physical plant appearance
- Student will display a sense of belonging and a feeling that someone cares if they are doing well in the academic, social and civic realms
- Develop a system for student leadership and peer mentoring
- Expand principal advisory, site councils that address communication

4. Communication:

• Develop a strategic plan that identifies roles and responsibilities and a plan for implementation

		 Develop a 	and implement stud	ent led confere	ences					
		Schedule regular parent forums to keep parent informed on academics, discipline, budget, physical plants, and strategic plan								
		Continue to develop a technology infrastructure to support software, hardware, integration of technology for instruction, data, and warehousing

ONE YEAR DETAILED SCHOOL BUDGET NARRATIVE 2012-2013

(Please complete one per school)

For Cohort I: Your year 3 funding amounts were conformed in your original application.

For Cohort II: Each school, per the US ED guidance, is able to apply for funding within the range of \$50,000 and \$2,000,000 per year. Please consider in your application that for the 2012-13 school year the NH DOE has approximately \$1,696,410 total to award to Cohort II (comprised of 8 schools)

Use this form to provide sufficient detail regarding proposed expenditure for the 2012-2013 project period. Complete all appropriate justification forms (enclosed in original application). Once this application is approved any revisions can be provided through the Online Grant Management System only. The online submission will override the paper-based submission.

School Name: ____Franklin Middle School
